

**Safer Driving
Online Training**

Provides the ability to host your safe driving policy and track acceptance for compliance monitoring

The screenshot shows a web browser window displaying a PDF document. The document header includes the Plumfleet logo and the text 'SAFE USE OF MOTOR VEHICLES POLICY'. Below the title, it specifies 'January 2017' and 'Version 1.1'. At the bottom of the document, there are two buttons: a green button labeled 'Read, Understand & Accepted' and a red button labeled 'Decline'. The browser's address bar shows the file path 'T4LXMR4KE10WGEI.pdf' and the page number '1 / 10'. The background of the browser window shows a sidebar menu with various navigation options like 'Dashboard', 'My Company', 'Risk Profile', 'Drivers', 'Client Admin', 'Driver Management', and 'Reports'.

Plumtree's basic risk tool helps to provide guidance, especially for occasional drivers who may also need practical training
